Can Roger hold on to his little Viking horse, and will Fleygur trust Roger enough to follow him into a burning barn...?

Reviews (more available on eponawise.com)

"It's got that Black Beauty feel..." - Penny Thomas, Publisher, Firefly Press

"Catherine is an excellent writer and I never tire of spending time with her Little Viking Horse. Get ready for a wild, emotional ride!" - Imogen Cooper, award winning Children's book editor and founder of the Golden Egg Academy

"My son couldn't put this down. This is an inspiring, gripping book for horse lovers. Finding a horse book that is for older children, where a boy is the central character is rare and had my son gripped from start to finish. He isn't a keen reader (dyslexic) so we were sad when it came to an end (like all great books) and hoping for a follow up!" - AMAZON Reviewer

The Author

Catherine lives in Shropshire with two cats, several chickens and three Icelandic horses, including the real Little Viking Horse. She has never stopped believing that she can talk to animals, and eventually this belief led her into writing stories for children. A graduate of the Golden Egg Academy, Little Viking Horse is Catherine's first novel, and sold over 1000 copies in the first 12 months.

She is currently writing a story of a badger rebellion – imagine if badgers decided to fight back against destructive humans, and children could hear the animals talk!

Other Viking horse adventures and stories from the perspective of animals are taking shape in Catherine's notebooks.
